1. Institute and Campus Overview
Institute: National Institute of Technology Delhi (NIT Delhi).
Address: Plot No. FA7, Zone P1, GT Karnal Road, Delhi-110036.
Campus area: The official institute overview states 51 acres; the campus is also commonly described as
approximately 52 acres.
Gates: The campus has three gates. Gate 1 is the main entrance. The gate near the Mini Campus is a commonly
used entrance/exit and is reported to be open throughout the day.
Administration Block: Main location for official and administrative work.
C. V. Raman Block: Academic building containing lecture theatres, laboratories and faculty cabins. Academic
facilities are being moved into this block.
Mini Campus: A commonly used campus entrance area; lecture theatres previously operated there before
facilities began shifting to the C. V. Raman Block.
Campus connectivity: Wi-Fi and charging points are reported in multiple campus areas.
Official institute overview: https://nitdelhi.ac.in/institute/about/nit — History, address, campus overview and
published campus area.
Official homepage: https://nitdelhi.ac.in/ — Notices and current announcements.
2. Classes, Timetable and Academic Calendar
Normal working day
Item

Current campus information
Typical class day
9:30 AM–5:30 PM
Wednesday
9:30 AM–3:30 PM
Typical lecture slot
Approximately 1 hour on ordinary days; approximately 45 minutes on Wednesday
Between-class breaks
No universal 5–10-minute break between every class; gaps depend on the timetable.
Timetable structure
Structured timetable applies by programme/semester and may change between semesters or
academic years.

Laboratories and tutorials follow the published timetable.

A subject generally has one laboratory session per week, or a tutorial where applicable.

A one-week break after the mid-semester period is reported; confirm exact dates in the academic calendar.

If a professor is absent, a class may be cancelled, postponed or rescheduled. Students should check with the
class representative, official notices and student email.
Semester timetable: https://nitdelhi.ac.in/academics/services/timetable — The page lists B.Tech and M.Tech
timetables for the Autumn Semester, July–December 2026.
Academic calendar: https://nitdelhi.ac.in/academics/services/calendar — Semester dates and important academic
events.
Official homepage: https://nitdelhi.ac.in/ — Announcements about class schedules and commencement of
classes.
3. Examinations and Assessment

Main assessment types include mid-semester examinations, end-semester examinations, internal assessments,
assignments/continuous assessment, laboratory assessments, laboratory examinations and viva.

Internal assessments and laboratory examinations are generally handled by the relevant course
instructor/professor.

Students should check the official timetable and examination notices for dates and allocated venues. The
Examination Cell is an administrative unit; the physical examination venue can vary by schedule.

For a marks or attendance discrepancy, approach the concerned professor first. If directed or if the issue remains
unresolved, contact the Academic Office or relevant academic authority.

These percentages match the published UG regulations available online; applicability should be checked against
the rules for the student's admission batch and programme.
Re-mid-semester examination

Students report that information about re-mid-semester examinations is circulated after the regular mid-semester
examinations, including through email.

A student who did not appear in the regular mid-semester examination may be eligible to apply, subject to the
applicable rules and notice.

A fee of ₹1,200 has been reported for the re-mid examination. Check the relevant current notice before relying on
this amount.

5. C. V. Raman Block, Lecture Theatres and Laboratories

The C. V. Raman Block contains lecture theatres, laboratories and faculty cabins.

Faculty cabins are reported on the third and fourth floors; individual faculty profiles may give exact room numbers.

Computer Science laboratories are still reported in the Administration Block while relocation towards the C. V.
Raman Block continues.

Laboratories for multiple departments, including computing and electronics-related subjects, are associated with
the academic facilities in the C. V. Raman Block.

Some laboratories remain on the first and second floors of the Administration Block.

The main lecture theatres were previously in the Mini Campus and are moving towards the C. V. Raman Block.
Faculty directory: https://faculty.nitdelhi.ac.in/ — Individual faculty profiles and, where published, office locations.
CSE department: https://cse.nitdelhi.ac.in/ — Lists the CSE HOD office as Room 212, second floor, C. V. Raman
Building.
ECE department: https://ece.nitdelhi.ac.in/ — Lists the ECE HOD office as Room 508, fifth floor, C. V. Raman
Building.
Department directory: https://nitdelhi.ac.in/academics/departments
A complete building-by-building and floor-by-floor list of lecture theatres, labs and faculty cabins is not yet included.
Do not infer a room number from the department name alone.
6. Central Library
Official Central Library page: https://nitdelhi.ac.in/facilities/central-library/about — Opening hours, book
borrowing, book bank, membership and library systems.

Location: second building of the C. V. Raman Block, fourth and fifth floors, according to campus information.

The official library page describes the library as connected to campus LAN/Wi-Fi and lists a collection of
approximately 22,000+ printed books as of 30 September 2026.

The library uses the KOHA library management system and an RFID-based circulation/security system.

The library offers an Institute ID-cum-Library Card, borrowing, book reservation, one-time renewal and email
alerts.

B.Tech students: 3 books for 15 days under the listed standard circulation rules.

B.Tech book bank: 4 books for the whole semester, subject to applicable rules.

examinations and that hours can change. It also states the library remains closed on gazetted holidays. Check
current notices for exceptions.
7. Sports Equipment and Facilities

Sports facilities: https://nitdelhi.ac.in/facilities/sports-section/facilities
Sports Section: https://nitdelhi.ac.in/facilities/sports-section/about

Students can borrow sports equipment using their institute ID card.

--- SOURCE PAGE 6 ---

The equipment issue point is reported to be on the second floor.

Exact building/room, equipment inventory, issue duration, opening hours and return rules should be added when available.

8. B.Tech Fees — Academic Year 2026-27

Official fee page: https://nitdelhi.ac.in/academics/services/fee — Lists B.Tech fee structures for Autumn Semester 2026, including entry-year and continuing-semester documents.

The official fee page lists separate documents for B.Tech, B.Tech DASA, UG under SII, and B.Tech third, fifth and seventh semesters.

Use the document corresponding to the student's admission category and semester. Do not apply a first-semester fee table to every continuing student.

The fee document previously reviewed listed these first-semester day-scholar totals: income above ₹5 lakh: ₹1,14,200; income ₹1-5 lakh: ₹72,533; income below ₹1 lakh: ₹51,700.

The same document listed hostel charges of ₹32,000 for an AC room and ₹20,000 for a non-AC room, plus hostel caution money ₹10,000 and mess caution money ₹10,000.

These totals are included as a reference snapshot and should be checked against the currently linked official fee PDF before use for payment.
